

## Monsal Head 2019 Route Checkpoints

**Start: Monsal Head Hotel DE45 1NL**

**Checkpoint 1: Haywood Car Park (National Trust Car Park) S32 3ZJ**

**Beware: This postcode takes you to the bottom of Froggatt hill. The car park is at the top and marked by a small brown arrow. Also at the road entrance it is called Longshaw, as it is on the Longshaw estate.**

This was originally Check Point 2 so is at the end of Section 2 on the old route description.

**Checkpoint 2: Shillito Wood Car Park S18 7WG**

If driving to the checkpoint for a training walk your SAT NAV may say that you are there about half a mile before you are. Just keep driving - it is a large obvious car park.

**Checkpoint 3: Barlow Fisheries S18 7SX**

The old checkpoint at Brindwoodgate will not be used. The new checkpoint is approximately 2/3 of a mile further along the route. Again, an obvious car park is on the walking route.

**Checkpoint 4: Drone Valley Brewery S18 4AB**

This is in the industrial units that you walk past at Unstone just after the car wash.

**Checkpoint 5: Fox and Hound Pub, Marsh Lane S21 5RH**

This is the last checkpoint that has changed.

**Checkpoint 6: Co-op car park, Eckington S21 4EX**

**Check Point 7: Spinkhill School S21 3YB**

**Checkpoint 8: Harthill Doctor's Car Park S26 7YQ**

**Finish: Royal Oak Whitwell S80 4QB**
